The Ulster County Italian American Foundation (UCIAF) is dedicated to preserving and promoting our rich Italian Culture throughout Ulster County. For five years, UCIAF has provided scholarships to graduating seniors from all our Ulster County high schools. Last year we instituted a Community Grants Program to support other local organizations.

We are offering five individual \$500 grants this year. Complete information is on the application form and on our website www.uciaf.org. The application is **due May 3, 2021** and the grants will be awarded at our Annual Educational and Awards Dinner scheduled for June.

Awards will be selected by our Grants Committee based upon how the grant award will support your program while promoting our UCIAF goals and how your program will directly benefit our local community.

We sincerely hope you will participate in our grant program to foster a true spirit of community. If you have any questions, please feel free to contact me at lombardiles@gmail.com or call 914-388-9652. We look forward to your application.

Sincerely,
