Ulster County Italian American Foundation

2026 ANNUAL SPONSORSHIP OPPORTUNITIES

BACKGROUND

The Ulster County Italian American Foundation was founded based upon the premise that the 35,000 Italian Americans living in Ulster County were looking for an organization to express their ethnic pride and gather to help others in our community. With a rich history of working and living in Ulster County, many Italian American families immigrated through Ellis Island to Kingston, New York and surrounding towns in search of making a living and leaving the poverty in the old country. This migration lasted for 50 years, and during that time economic fortunes improved and families settled in to a wonderful life in Ulster County. However, Italian traditions were fading as each generation passed and the creation of the Ulster County Italian American Foundation was the answer to “Sustaining Traditions”, as spoken by the Vice Consul of Italy, Stefano Acunto, at the October 11, 2016 Italian Festival.

PURPOSE

We are dedicated to preserving and promoting the rich culture Italian Americans share in Ulster County. We achieve our goals through outstanding cultural programs, language classes, educational lectures, monthly dinners and community support. We raise funds to provide Education Awards to students, Contributions to not-for-profit organizations and to those individuals in need of hardship assistance.

ORGANIZATION

We are a 501(c)(3) organization, approved by the Internal Revenue Service in August 2015, after being incorporated as a New York State Not-For-Profit.

TUTTO ITALIANO

Live from Kingston, it's Tutto Italiano!

Since 2018, UCIAF has been hosting our own weekly radio show aptly called, Tutto Italiano ("Everything Italian"). Never lacking for conversation, we Italians know how to talk. And so we do... about everything and anything related to Italian culture: the arts, food, music, stories, movies, books, local Italian cultural events, and sometimes including Italian musicians and singers performing live...capisci?

Each week, we welcome a guest of Italian American heritage into a conversation along three major themes: The Now – The Traditions – The New. Seasonality also drives specific shows, especially during the holidays and traditional family events. Since our first show, we have interviewed hundreds of guests – both locally and from around the world – on a range of subjects.

In addition, Tutto Italiano allows us to make announcements and pay homage to the outstanding volunteers and sponsors that make up the Ulster County Italian American Foundation.

The Cast

Our rotating cast of local Italian American co-hosts include: Tony Marmo, Frank Casciaro, Alicia Hallam, Guy Greco, Mary Tuma, Leonisa Ardizzone, Joe and Nicole Famiglietti, John Ioia, Les Lombardi, Jess Davis and Jenny Bella.

If you would like to be a guest on our show, or have a suggestion, by all means get in touch with us and join the conversation.
