# A MESSAGE FROM OUR PRESIDENT

Buongiorno Tutti,

I hope you will join us in the many events we have planned for August. The comradery we share at these happenings is what makes our Foundation strong. Our Bocce Picnic at Robert Post Park is one of my favorite gatherings. It is totally informal. Bring the kids and grandkids. We share stories, make new friends, and share our favorite dish. It is an opportunity to live how we remember our childhood (Sempre Insieme). The huge BBQ pit will be fired up to grill your hot dogs, chicken, hamburgers zucchini and whatever else you bring. Of course, we will make use of the 3 bocce courts and the wonderful children's playground, all with a gorgeous view of the Hudson and a welcome Hudson River breeze. See you there August 11th!

We will be having dinner at the White Eagle Hall prepared with a Venetian flare by chef Graziano Tecchio on August 20th. This is a very reasonably priced dinner with discounted beverages. Sign up on member planet or get a check to P.O. Box 4427, Kingston, NY 12402. Price is \$35 per person.

We will be having a bus trip to Arthur Ave in the Bronx for the Ferragosto feast on September 8th. Sign up early. The bus will be leaving the Herzog Plaza at 9:30 and the cost of the trip is \$50.00. If we do not have enough people signed up by August 15th, the trip will be cancelled and money paid will be returned.

On August 18th we could use your support cheering our team on at the Artist Soap Box Derby starting 1:00 at the corner of Spring St and Broadway in downtown Kingston. We are encouraging as many of you as possible to come wearing a Toga. Don't feel silly, you will not be alone, and it will help us WIN. Thanks for your support.

I would like to congratulate Celia Ecker, Leonisa Ardizzone, and Paola Gagliardi DaSilva for getting our Italian classes ready to launch. See their introduction in this newsletter.

MaryAnn Forgey and her committee are working on a spectacular Italian Fashion Show to take place at Diamond Mills in April of 2025. If you have Italian fashions to show or unique Italian embroidery etc., Please contact Mary Ann at [forgey@fordham.edu](mailto:forgey@fordham.edu) Mary Ann will have more information in future newsletters.

That's all for now.

Pace e amore,

Anthony

## FESTIVAL UPDATE

Plans for our October 13th Italian Festival are moving along. We will be partnering with our friends from O+ once again. They will be providing entertainment for our second stage located by the Maritime Museum. I am grateful for the volunteers we have that provide so many hours to make our Festival such a huge success. Out of the many festivities that occur throughout Ulster County, we are by far the most visited free festival. Families from far and near come to spend the day with us. There are a few areas where we could use some more help. A large part of what makes the Festival feel festive is the roaming minstrels, performers and character actors. We need you to step up and wear some of these gladiator, empress and gondolier costumes. There may even be some leftover togas from our Artist Soap Box Derby. It will make a tremendous difference having you there.

We really need some more of you to share your story of your family experiences growing up Italian or even interesting stories that you may have heard. These oral stories have been forever ingrained in the human experience. Let's keep them going. Contact Karen Pillsworth at [kpstories@aol.com](mailto:kpstories@aol.com)

Please sign up to volunteer and be a part of this great tradition we have going in Ulster County.

Pace e amore,  
Anthony Tampone, Festival Chair

# UCIAF BOCCE

Practice Wednesday's at 5:00 p.m. at Robert Post Park until 10/30th.

## OFFICIAL RULES OF BOCCE

Bocce.org

### A. Beginning the Round

1. **Selecting Bocce Colors.** The Morra (or as a weak alternative, a stone or coin toss): At the beginning of the Tournament and when two teams with equal Round records are to compete, team captains or their designees engage in one Morra; the Referee settles any disputes. The winner has the first choice of Bocce colors.

2. **Selecting Throwing Team and Starting End for the First Round.** The loser of the Morra (or toss) chooses the starting end for throwing and designates the team that has the right to throw the Pallino for the first Giro.

3. **Selecting Bocce Colors, Throwing Team and Starting End After The First Round.** When two teams of unequal Round records meet, the team with the weaker record has the first choice of Bocce colors, starting end for throwing, and designates the team that has the right to throw the Pallino first. (Note: This rule is intended to display the compassionate side of Bocce in which the underdog is given every opportunity for advantage. Of course, any of these rights may be graciously transferred to the opposing team.)

### B. Scoring

1. **Winning the Round.** A Round of Bocce consists of a series of Giro that continue until a team accumulates a total of 9 points. The first team that completes a Giro with 9 or more points wins the Round. (International tournaments use 15 points.)

2. **Winning A Giro.** In each Giro, one point is counted for each team Bocce closer to the Pallino than any Bocce of the opposing team. A Bocce leaning on the Pallino (a Baci) is scored 2 points. Two Bocce of opposing teams equal distance from the Pallino cancel each other out and no additional points are scored for Bocce beyond them.

# Ferragosto in Italy: Origins and Traditions

Excerpt from Italy Magazine.com

**Celebrated on August 15, Ferragosto may well be considered the height of the Italian summer. Many Italians still take their summer vacation around this time, with the cities emptying and the beaches filling up.**

**Ferragosto, which coincides with the Catholic feast of the Assumption of Mary, is a holiday that goes back to Roman emperor Augustus' times. Several festivals took place during the month of August to celebrate the harvest; in 18 BCE, Augustus introduced the 'Feriae Augusti' to connect them all and provide a longer period of rest after the harvest, a time of intense agricultural labor.**

**During the 'Augustali' celebrations, horse races were organized across the Roman Empire; such ancient traditions remain almost unchanged today (just think of Siena's Palio dell'Assunta, taking place on August 16).**

# OLYMPIC FUN FACTS

Italy has won over 700 medals at the Olympic Games, with over 100 medals in fencing.

~The first Olympic Games took place in 776BC. The original Olympics began as part of an Ancient Greek festival, which celebrated Zeus, the Greek God of sky and weather. The whole competition lasted for up to six months, and included games like wrestling, boxing, long jump, javelin, discus and chariot racing.

~In 393 AD, the Olympic Games were cancelled and didn't start up again for over 1,500 years! Emperor Theodosius I, a Roman ruler, banned the Greek Olympics due to the religious element of the celebration.

~ In 1896, a man named Baron Pierre de Coubertin started a revival of the Games. He called this new event the 'modern Olympics' - and it's still going today!

~The Olympic torch is a reminder of the Games' Greek origins. In ancient times, a flame burned throughout the Games as a tribute to the goddess, Hestia. Since 1928, this tradition has continued in the modern Games, but instead of an altar, the flame burns in a special torch.

## DID YOU KNOW?

Lit Olympic torches have flown on planes, stayed alight underwater, and scaled Everest! Some unlit torches have even gone into space, too. Amazing!
